Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

The biggest question I have gotten since starting this site (The "IF" Life) in 2008, is how to effectively use "Intermittent Fasting" (also known simply as "IF", hence the name of the site) to achieve their goals and maximum results.. It is also the main reason I started this website, to help spread all the information below.
