13 colonies a musical pdf

The Thirteen Colonies were a group of British colonies on the Atlantic coast of North America founded in the 17th and 18th centuries. They declared independence in 1776 and formed the United States of America. The Thirteen Colonies had very similar political, constitutional, and legal systems and were dominated by Protestant English-speakers.

Thirteen Colonies - Wikipedia

Colonies in antiquity were city-states founded from a mother-city (its "metropolis"), not from a territory-at-large. Bonds between a colony and its metropolis remained often close, and took specific forms. However, unlike in the period of European colonialism during the early and late modern era, ancient colonies were usually sovereign and self-governing from their inception.
