The 19th century was a century that began on January 1, 1801, and ended on December 31, 1900.. The 19th century saw large amounts of social change; slavery was abolished, and the Second Industrial Revolution led to massive urbanization and much higher levels of productivity, profit and prosperity. European imperialism brought much of Asia and almost all of Africa under colonial rule.

Existentialism as a philosophical movement is properly a 20th-century movement, but its major antecedents, Søren Kierkegaard and Friedrich Nietzsche wrote long before the rise of existentialism. In the 1840s, academic philosophy in Europe, following Hegel, was almost completely divorced from the concerns of individual human life, in favour of pursuing abstract metaphysical systems.
