Download Citation on ResearchGate | 202 Digital Photography Solutions | From the Publisher:In the past two years the digital photography market has exploded to the point that consumers now buy nearly as many digital cameras as traditional ones.

202 Digital Photography Solutions - ResearchGate

digital world in which we live, photographs also need to be digital. For awhile, capturing images on film and then scanning them into a digital format was a solution. However, this process is expensive and time consuming. Digital cameras remove those impediments and capture images that are already in a universally recognizable digital format that makes them easy to display and share.
