Information on using EndNote, with links to resources.

### **Home - EndNote - LibGuides at Clarivate Analytics**

A note is a string of text placed at the bottom of a page in a book or document or at the end of a chapter, volume or the whole text. The note can provide an author's comments on the main text or citations of a reference work in support of the text, or both.. Footnotes are notes at the foot of the page while endnotes are collected under a separate heading at the end of a chapter, volume, or ...

Format. The RIS file format " two letters, two spaces and a hyphen " is a tagged format for expressing bibliographic citations. According to the specifications, the lines must end with the ASCII carriage return and line feed characters. Note that this is the convention on Microsoft Windows, while in other contemporary operating systems, particularly Unix, the end of line is typically marked ...
