I remember when you first announced that you would be making a series on African philosophy I was pleasantly surprised as it is not a region that is often talked about at all. However, it seems, at least from the content of these last few episodes, that this is because there is barely any African philosophy.

Philosophy really took off, though, with Socrates and Plato in the 5th - 4th Century B.C. (often referred to as the Classical or Socratic period of philosophy). Unlike most of the Pre-Socratic philosophers before him, Socrates was more concerned with how people should behave, and so was perhaps the first major philosopher of Ethics.
