I checked the Steam store page for each of the games you own. As Arda stated, Mirror's Edge does not have a manual. On the Steam store page for each game, when you scroll down, if there is a manual for the game, you will usually find it in the right hand column near the bottom.

Where do I download the manuals for games I buy on Steam?

Where does Steam's new internal PDF download the PDFs? Used to be I could click on Manual links and Steam would open the PDF in an external browser, then I could download the PDF to my downloads folder.
