A People's History of the United States is a 1980 non-fiction book by the American historian, political scientist, and left-wing activist Howard Zinn. In the book, Zinn presented a different side of history from what he considered to be the more traditional "fundamental nationalist glorification of country".

A people's history, or history from below, is a type of historical narrative which attempts to account for historical events from the perspective of common people rather than leaders. There is an emphasis on disenfranchised, the oppressed, the poor, the nonconformists, and otherwise marginal groups.
