The woman now spent her winter afternoons in the big bedroom. She made a fire in the hearth and put on slacks and an old sweater she had loved at school, and sat in the big chair and stared out the window at snow-ridden branches, or went away into long novels about other people moving through other winters. All day long she stayed in the white room.

Women don't influence others the same way men do. They can't. They're weaker than we are physically, and for this reason, many men (and some women) assume this means that they can easily overpower a woman through intimidation. This means that if a woman wants to get her way, she has to resort to other methods.

Secrets most men will never know about women.

In The Secret, she explains with simplicity the law that is governing all lives, and offers the knowledge of how to create "intentionally and effortlessly" a joyful life. A number of exceptional men and women discovered The Secret, and went on to become known as the greatest people who ever lived.
