Literary Theory: A Very Short Introduction (Very Short

Quantum Theory: A Very Short Introduction John Polkinghorne has produced an excellent piece of work. . . Many authors of popular books on modern physics have the regrettable habit of mixing science fact with science fiction. Polkinghorne never does that: he always allows the truth to stand by itself and show its own fascination. . . .

Quantum Theory: A Very Short Introduction - Personal site

Introduction Ideally, a book on socialism would discuss the whole world, but this is clearly not possible in a Very Short Introduction. There are also many important issues perhaps particularly those concerning ethnicity, nationalism, and global inequality that cannot be addressed adequately here.
