The Statutory Accounting Principles (E) Working Group is responsible for developing and adopting substantive, nonsubstantive and interpretation revisions to the NAIC Accounting Practices and Procedures Manual (AP&P Manual). The AP&P Manual provides the basis for insurers to prepare financial statements for financial regulation purposes.

### **Statutory Accounting Principles (E) Working Group**

Accounting or accountancy is the measurement, processing, and communication of financial information about economic entities such as businesses and corporations. The modern field was established by the Italian mathematician Luca Pacioli in 1494. Accounting, which has been called the "language of business", measures the results of an organization's economic activities and conveys this ...
