After her death in 1996, her nephew David Shambaugh, an expert in Chinese politics and a professor at George Washington University, completed the manuscript for this book. Paul R. Goldin.

### **After Confucius: Studies in Early Chinese Philosophy (review)**

A hallmark of Confucius' thought is his emphasis on education and study. He disparages those who have faith in natural understanding or intuition and argues that the only real understanding of a subject comes from long and careful study. Study, for Confucius, means finding a good teacher and imitating his words and deeds.
