an invitation to health pdf

could destroy your health, happiness, and life. Drinking in America Alcohol is the most widely used drug in the world. No medical conditions, other than heart disease, cause more disability and premature death than alcohol-related problems. No men-tal or medical disorders touch the lives of more families.

crucial to high-level health and to healthy sexuality. Becoming Male or Female Physiological maleness or femaleness, or biolog-ical sex, is indicated by the sex chromosomes, hormonal balance, and genital anatomy. Gen-der refers to the psychological and sociological, as well as the physical, aspects of being male or female.
