

analysis of the words pdf

In reality, market analysis is what actually helps the business identify the changes that it can do to ensure that it can properly brand its business to promote awareness in the marketplace. Again, a market analysis is an external study that can actually affect the internal procedures of the business.

Word Analysis, also called "phonics" or "decoding," is the process of using the relationships between spelling and pronunciation at the letter, syllable, and word levels to figure out unfamiliar words. For more proficient readers, Word Analysis also refers to knowledge of the meanings and spellings of prefixes, root words, and suffixes.

Assessment Strategies and Reading Profiles

"Knowing some common prefixes and suffixes (affixes), base words, and root words can help students learn the meanings of many new words" (Armbruster, Lehr, & Osborn, 2001). Morphemic analysis uses roots and affixes to derive meaning from an unknown word.
