Answers in Genesis (AiG) is a fundamentalist Christian apologetics parachurch organization. It advocates a literal or historical-grammatical interpretation of the Book of Genesis, with a particular focus on a pseudoscientific promotion of young Earth creationism, which rejects those results of scientific investigation which do not conform to their literal interpretation of the Genesis creation ...

The Global Health Histories project was established within the WHO headquarters and regional offices in late 2004. Its mission is based on the principle that understanding the history of health, especially during the last 60 years, helps the global public health community to respond to the challenges of today and help shape a healthier future for everyone, especially those most in need.
