

architecture residential drawing and pdf

A house is a building that functions as a home. They can range from simple dwellings such as rudimentary huts of nomadic tribes and the improvised shacks in shantytowns to complex, fixed structures of wood, brick, concrete or other materials containing plumbing, ventilation, and electrical systems. Houses use a range of different roofing systems to keep precipitation such as rain from getting ...

House - Wikipedia

An architectural drawing or architect's drawing is a technical drawing of a building (or building project) that falls within the definition of architecture. Architectural drawings are used by architects and others for a number of purposes: to develop a design idea into a coherent proposal, to communicate ideas and concepts, to convince clients of the merits of a design, to enable a building ...

The Evelyn Grace Academy not only broadens the educational diversity of Brixton, but also augments the built environment in a predominantly residential area.

Evelyn Grace Academy - Architecture - Zaha Hadid Architects

The Crossroads Garden Shed demonstrates the value and capacity of architecture to transform communities with even the smallest of briefs. Intended to supply a growing neighbourhood with a simple storage structure for gardening tools and outdoor furniture, the original vision shifted drastically when re-approached as a unique opportunity to enhance the pedestrian realm.

Names, Things, Cities: Divine Comedy. Nomi, Cose, Città . Divina Commedia. The exhibition deconstructs the Divina Commedia in singular elements that are part of specific categories, and creates a visual archive of one of the most famous long narrative poems in the world.

Harvard Graduate School of Design

The Ordrupgaard Museum needed a new structure in which to display permanent and temporary collections, alongside a new café. This need to grow afforded us the opportunity to design a new structure that redefined the relationships between various museum components – existing buildings, the new extension – and the gardens that frame them.
