Take a look under the hood: all the details you need on the ASE Test Series. There are more than 40 ASE certification tests, covering almost every imaginable aspect of the automotive repair and service industry.

### **Test Series - ASE**

A motor vehicle service or tune-up is a series of maintenance procedures carried out at a set time interval or after the vehicle has travelled a certain distance. The service intervals are specified by the vehicle manufacturer in a service schedule and some modern cars display the due date for the next service electronically on the instrument panel.
