This document summarizes the similarities and key difference in the requirements between welding standards published by the Canadian Standards Association (CSA) and the American Welding Society (AWS). Review of the standards themselves is

CSA Standards W47.1 & W59 and AWS D1.1 The Similarities

I passed the AWS CA exam two weeks ago with 80% and the DA exam today with 90%. The format of the exams is the same, there is significant overlap in the material and the developer exam is a bit easier. For reference, I got 95% on the Mega Quiz and Practice Exam here. The course material here is enough to pass the exam, but not get 100%.

Passed with 90% - my exam tips - A Cloud Guru

I recently took (and passed) the AWS Certified Solutions Architect Professional exam and figured I would share how I studied for this test. When I took the associate level of this exam I only had 3 days to study and very little existing experience with AWS before hand and that is definitely not how I would recommend taking these exams.
