This treehouse is built in a single tree, providing a dramatic setting for the structure. As with most single tree treehouses this design wraps around the trunk, but unlike the Kauri design the trunk passes inside the treehouse itself. This helps to enhance the experience of being up in a tree and makes an unusual focal point in a playhouse or office.

The first Treehouse of Horror episode aired in 1990 as part of the second season, and its on-screen title was "The Simpsons Halloween Special." It was inspired by EC Comics Horror tales. Although every episode is entitled "Treehouse of Horror", the first one was the only episode that actually used the treehouse motif. During production of the first episode, Matt Groening was nervous about "The ...
