Bath hardware is fairly straightforward, but I have found that the approach to the placement of hand towels is quite personal and is often dictated by the architecture and design of the space.

### **Things That Inspire: Hand towels: where do you put them?**

A door is a panel made usually of a hard, impermeable, and hard-to-break substance (such as wood or metal), with or without windows, but sometimes consisting of a hard frame into which glass or screens have been fitted, attached to hinges by which it is attached to a frame that constitutes a space for ingress into or egress from a building, room, or vehicle, such that the panel may be moved in ...
