Annotated Bibliography Example - Teaching American History

Environmental history is the study of human interaction with the natural world over time, emphasising the active role nature plays in influencing human affairs and vice versa.. Environmental history emerged in the United States out of the environmental movement of the 1960s and 1970s, and much of its impetus still stems from present-day global environmental concerns.

Environmental history - Wikipedia

British Columbia is the westernmost province of Canada.Originally politically constituted as a pair of British colonies, British Columbia joined the Canadian Confederation on July 20, 1871. Perhaps the most influential historian of British Columbia has been Margaret Ormsby.In British Columbia: A History (1958) she presented a structural model that has been adopted by numerous historians and ...

History of British Columbia - Wikipedia

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network.The "Emerging Scholars" group began informally, but its leadership now ...
