Look up black widow or black widows in Wiktionary, the free dictionary.

**Black widow - Wikipedia**

Black is the darkest color, the result of the absence or complete absorption of visible light. It is an achromatic color, literally a color without hue, like white and gray. It is often used symbolically or figuratively to represent darkness, while white represents light.. Black ink is the most common color used for printing books, newspapers and documents, because it has the highest contrast ...
