Batman: The Brave and the Bold is an American animated television series based in part on the DC Comics series The Brave and the Bold which features two or more superheroes coming together to solve a crime or foil a super villain. As the title suggests, the cartoon focuses on Batman's regular "team-ups" with various heroes similar to the most well-known version of the original comic book series.

Friz Quadrata is a glyphic serif typeface designed by Ernst Friz and Victor Caruso for Visual Graphics Corporation in 1965. VGC worked with the International Typeface Corporation to create an additional, bold weight. It is currently available from the ITC and Linotype foundries. Because of its level of detail and graphic weight, it is often used as a display font, for short texts and headlines.
