imagination. â€œProphesy to the bones!â€• God cries, and after a few moments they start to rattle and shake; they come together and grow muscles and skin and finally with the breath of God they stand upright â€œ a nation healed and restored. The implication is that God will return the kingdom to its former glory. Someday, their people will rise again.

Bones and Breath - Amazon Web Services

The subtle breath is directed to the bone marrow through our attention. For instance, during the exercise, we begin by focusing our awareness on the tip of the index finger, then slowly we draw our attention up the length of the bone.

Chinese Taoist Bone Breathing™ Technique Rejuvenates the

Do this for about 10 breaths and relax for a while. Try next to do 10 breaths through the bones on your back and then take a break for a little while. Try 10 breaths through the bones in your skull and take your brake. Finally try to do this breath technique by breathing in through every pore in your body for 10 breaths.
