

britain italy germany and pdf

The label was originally introduced in Britain by the Merchandise Marks Act 1887, to mark foreign produce more obviously, as foreign manufactures had been falsely marking inferior goods with the marks of renowned British manufacturing companies and importing them into the United Kingdom. Most of these were found to be originating from Germany, whose government had introduced a protectionist ...

Made in Germany - Wikipedia

The rivalry between Britain, France, Germany, and the other European powers accounts for a large part of the colonization. While tropical Africa was not a large zone of investment, other overseas regions were.

Scramble for Africa - Wikipedia

women in totalitarian society, women in fascist italy, women in stalins russia, women in nazi germany, women in communist china
