The United Kingdom has different sorts of counties. Some are traditional areas and some are for local government or other government things.

List of counties of the United Kingdom - Simple English

The subdivisions of England constitute a hierarchy of administrative divisions and non-administrative ceremonial areas.. Overall, England is divided into nine regions and 48 ceremonial counties, although these have only a limited role in public policy. For the purposes of local government, the country is divided into counties, districts and parishes. In some areas, counties and districts form a ...

Subdivisions of England - Wikipedia

The Survivors History Group was founded in April 2005 to value and celebrate the contribution that mental health service users/survivors have made and are making to history. It is working towards a comprehensive history on this site and in a book. It will also preserve historical material in digital form on this site, and in printed and other forms.
