Welcome to Psychology at CMU. With nearly 30 award-winning faculty and almost 150 people in total, we are a vibrant community whose research continues our Department's 100 year tradition of studying the deeper mechanisms and processes underlying human behavior and its neural bases. Innovation is in our DNA: our department has been at the center of helping create new scientific initiatives in ...

Department of Psychology - Department of Psychology

In the field of psychology, cognitive dissonance is the mental discomfort (psychological stress) experienced by a person who simultaneously holds two or more contradictory beliefs, ideas, or values. This discomfort is triggered by a situation in which a belief of a person clashes with new evidence perceived by that person.

Cognitive dissonance - Wikipedia

The Master in "Cognitive Psychology in Health Communication", jointly offered by the Institute of Communication and Health of Università della Svizzera italiana (USI) and the Faculty of Psychology of Vita-Salute San Raffaele University of Milan (UNISR), presents a new joint Master's programme through training in cognitive psychology, neuroscience and communication.
