"Low culture" is a derogatory term for forms of popular culture that have mass appeal. Its contrast is "high culture", which can also be derogatory. It has been said by culture theorists that both high culture and low culture are subcultures. The boundaries of low culture and high culture blur, through convergence. Many people are "omnivores", making cultural choices from different menus.

At the start of the Middle Ages, England was a part of Britannia, a former province of the Roman Empire. The local economy had once been dominated by imperial Roman spending on a large military establishment, which in turn helped to support a complex network of towns, roads, and villas. At the end of the 4th century, however, Roman forces had been largely withdrawn, and this economy collapsed.

Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...
