In philosophy, empiricism is a theory that states that knowledge comes only or primarily from sensory experience. It is one of several views of epistemology, the study of human knowledge, along with rationalism and skepticism. Empiricism emphasises the role of empirical evidence in the formation of ideas, over the idea of innate ideas or traditions. ...

I’ve always been a big proponent of having actionable anchor text for links when I really want someone to click. From a copywriting standpoint, it’s a no brainer – it’s been proven time and time again that if you want someone to do something, you’ll get better results if you tell them exactly what to do.. Simple as that.
