This practice test may include questions that would not be used in an actual test administered in an alternate format because they have been determined to be less suitable for presentation in such formats.

Large Print (18 point) Edition Section 3â€”Quantitative

A lot of test takers preparing for the exam end up spending thousands of dollars on test prep courses when they would probably be better off with a couple of study guides and practice tests. Make sure that you monitor your pace while taking the test.
