

great inventors and their pdf

This is a list of inventors whose deaths were in some manner caused by or related to a product, process, procedure, or other innovation that they invented or designed.

List of inventors killed by their own inventions - Wikipedia

An invention is a unique or novel device, method, composition or process. The invention process is a process within an overall engineering and product development process. It may be an improvement upon a machine or product or a new process for creating an object or a result.

Invention - Wikipedia

Inventors Eye is the USPTO's newsletter for the independent inventor community published since 2010.
