Prosperity flows only through channels that are wide open to receive it. It does not flow through channels pinched by the poverty thought, by discouragement, doubt, or fear, or by a strangling narrow-visioned policy. A generous expenditure is often the wisest economy, the only thing that brings a generous success.

prosperity in 1967. I was conducting a series of meetings in a very small church in a very small town in the Texas panhandle. For years I had entertained the idea that success was not an accident, that luck has nothing to do with it. I had read books of different kinds on this idea but had not found any answers that satisfied me.
