### **Lessons Taxidermy Comprehensive Collecting Preserving**

Lessons in Taxidermy is Lavender's fierce and expressive search for truth and an elusive sense of safety. This autobiographical tale is stark and resolved, but strangely euphoric, tying together moments and memories into a frantic, delicate, and often transcendently funny account of anguish and confusion, pain and poverty, isolation and illusion.

BEE LAVENDER is a writer, editor, publisher, and activist. After living in the Pacific Northwest for thirty-three years she moved to England, where her office is a canal boat moored on the River Cam. Her books include Lessons in Taxidermy and the anthologies Breeder (Seal Press, 2001) and Mamaphonic (Soft Skull Press, 2004). More information about Bee is available on her website, [www.foment.net](http://www.foment.net).
