

marketing from the inside pdf

Marketing is the study and management of exchange relationships. Marketing is used to create, keep and satisfy the customer. With the customer as the focus of its activities, it can be concluded that marketing is one of the premier components of business management - the other being innovation.

Marketing - Wikipedia

Sales are activities related to selling or the number of goods or services sold in a given time period.. The seller or the provider of the goods or services complete a sale in response to an acquisition, appropriation, requisition or a direct interaction with the buyer at the point of sale. There is a passing of title (property or ownership) of the item, and the settlement of a price, in which ...
