This book is a follow-up to "Maybe...maybe not", which I think is also still available in English. König has a very witty insight not just into gay relationships and culture, but also into gay/straight relationships and

relationships in general (too many relationships in this sentence?)

Top Tip Use Maybe If Perhaps Works Like maybe, the word perhaps is an adverb. If it works perfectly in your sentence, then you should be using maybe. If perhaps does not work well (i.e., you feel there is a word missing), then you should be using may be. For example: If you trust Google more than your doctor, then maybe it's time to switch doctors. ...
