MEASURING UP CRPE.ORG | 1 Public education has historically provided a pathway out of poverty for our most vulnerable youth. However, that pathway has been eroded. City leaders know this better than anyone. In April 2015, Politico Magazine reported results from a survey of 20 mayors across the country about the challenges facing their cities.

day’s students are brought up in a consumer culture, and that mentality extends to higher education: For tens of thousands of dollars a year, many expect to “consume” good grades. Since most of today’s uni-versity curricula are built around choice, rather than a defined core, students can “shop” for an easy A.
