The Nordic race was one of the putative sub-races into which some late-19th to mid-20th-century anthropologists divided the Caucasian race. People of the Nordic type were to be mostly found in Scandinavia, Northwestern Europe, and countries surrounding the Baltic Sea, such as Germans and Finnic peoples. The psychological traits of Nordics were described as truthful, equitable, competitive ...

We just watched a blue wave of women come to the foreground to help change the energy in the United States government. Our government has been male dominant for a long time and I think we have needed

some soft feminine energy in a leadership role.
