Its was really good to end the story with Mukesh finally knowing the real meaning of being a mother. I did loved to put the book in 'Read Again'section.(Y) review 2: One thing about the writer, she is a practical person with little less focus on emotions. There are two stories in both cases, the protagonist does not know about real mother.

remembered one major difference that made the whole talk sound wrong. My mother was in the room. And it was perhaps the first time she had heard me give a lengthy speech, using the kind of English I have never used with her. I was saying things like, "The intersection of memory upon imagination" and "There is an
