The Seeds Of Wither (2011) About book: Another novella that is purely a way to make more money off of a series. It mostly serves no purpose, other than reviewing information that people already know about the first one and give a sneak peak into the second one (which is especially pointless after the second has been published). The only unique material in the book is the short story about Rose before she dies.

SEEDS OF WITHER is a great mini story that prequels The Chemical Gardens' first book WITHER; with a tale of Linden's first love (and child bride) Rose. Though the short story is good and well written from Lady Rose's account, I only wish there were a bit more of it.

“The Seeds of Wither” is yet another 1.5 moneygrab of an ebook, and it’s perhaps the most shameless one yet. It makes up for it by being more horrible than Wither itself.

Seeds of Wither (Rose short story) “ Dragon Quill

The wither's smaller heads shoot targets slightly slower than the main head. the interval for smaller heads is 2-3 seconds, while the main head's always 2. An enemy called the Wither Storm appears in Minecraft: Story Mode. It was created by replacing the center block of soul sand with a Command Block.
