

twentieth century music the pdf

During the 20th century there was a huge increase in the variety of music that people had access to. Prior to the invention of mass market gramophone records (developed in 1892) and radio broadcasting (first commercially done ca. 1919â€“20), people mainly listened to music at live Classical music concerts or musical theatre shows, which were too expensive for many lower-income people; on early ...

20th-century music - Wikipedia

On the Twentieth Century is a musical with book and lyrics by Betty Comden and Adolph Green and music by Cy Coleman. Based partly on the 1930s film and play of the same name, the musical is part operetta, part farce and part screwball comedy. The story involves the behind-the-scenes relationship between Lily, a temperamental actress and Oscar, a bankrupt theatre producer.
