Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

English programmes of study: key stages 1 and 2

Australia. The consecutive Australian with Honours degree is usually a one- to two-year research program, after the completion of a Bachelor's degree in the same field. It can also be started as a concurrent program in the fourth year of a four-year bachelor's degree. It is generally considered a postgraduate year because a bachelor's degree can be completed without it.
